Hi all,

We hope you all are doing well and things are starting to settle down. We have been praying and working to formulate some plans for Youth Formation.

As you may be aware, Holy Savior has significant damage to several buildings on campus due to Hurricane Ida. With this being said, we are planning to utilize the school cafeteria and gym to host both youth large and small groups.

Our kick off large group will be Oct. 31, 2021 after 8:00 a.m. Mass. We will have a Living Rosary outside near the school cafeteria. We hope to see you all there.

Registration is still open and is on the Church Website: [holysaviorchurch.org](http://holysaviorchurch.org) under formation.

We will be posting the new schedule and more in the up and coming days.

If you have any concerns or questions please email Miss Kecera, as the Church Office's phone system is still down.

Kecera Rodrigue,

Youth Formation Team
